

INTERNATIONAL HOCKEY FEDERATION

FIH Certified Installed Pitches

This is a list of pitches which have been tested by FIH accredited laboratories and found to meet the specified requirements.

Until April 2008, the requirements were included in the March 1999 edition of the *FIH Handbook of Performance Requirements and Test Procedures for Synthetic Hockey Pitches – Outdoor*. In accordance with those requirements, the main two categories of turf and pitch were called “global” and “standard”. In addition, there was a “starter” category but that has now been withdrawn.

From April 2008, the requirements were included in the April 2008 edition of the *Handbook of Performance Requirements for Synthetic Turf Hockey Pitches* also known as *The Pitch Handbook*. In that publication, the “standard” category was renamed “national” so that the main two categories of turf and pitch are now known as “**global**” and “**national**”.

If floodlights are installed and tests show they meet requirements in the *FIH Guide to the Artificial Lighting of Hockey Pitches*, the list states that pitch approval applies to “use in natural light and floodlights”. If floodlights are not installed and/or have not been tested, the list states “floodlights not installed/approved”.

A Certificate of Compliance lasts for two years.

Any enquiries about this list and the performance requirements should be addressed to the FIH Technical Manager at: info@worldhockey.org.

July 2010

Certified Pitches

COUNTRY	PITCH CATEGORY	APPROVAL EXPIRES
PITCH LOCATION	MANUFACTURER	
	TURF TYPE	
	FLOODLIGHTS (approved, or not installed/approved)

** Pitch approvals which have lapsed and not been renewed, products which are no longer supplied or manufacturers who are no longer trading are listed in italics and marked with an asterisk.*

The International Hockey Federation provides information on various topics related to pitches and equipment.

The [Rules](#) folder on the FIH website contains the **Rules of Hockey** or the **Rules of Indoor Hockey** which refer to field, pitch and equipment specifications including:

- Field dimensions and markings (outdoor/field hockey)
- Pitch dimensions and markings (indoor hockey)
- Goals (outdoor/field hockey)
- Goals (indoor hockey)
- The stick (outdoor and indoor hockey)
- The ball (outdoor and indoor hockey)
- Goalkeepers' equipment (outdoor and indoor hockey)

Information is available on the FIH website in the [Pitches & Equipment](#) folder about **Synthetic Fields and Lighting** including:

- Certified Installed Pitches
- Guide to Installing Pitches and Facilities
- Licensed manufacturers/suppliers of synthetic turf
- Synthetic turf performance requirements
- Guidelines for care and maintenance of synthetic turf
- Artificial lighting
- Accredited laboratories
- Licensed manufacturers of hockey balls
- Advice on the requirements and regulations for advertising around the field of play and on coloured over-runs (please email: info@worldhockey.org)
